INFORMATION

"Although it is a highly practical super height wagon, it is easy to control and has a sense of stability.

Raised the standard of mini vehicles with its high driving performance. Interior texture and seat comfort

Also collected evaluations. In addition, the advanced safe driving support system "Propa" has the same performance as registered vehicles.

The adoption of "Ilot" is also a big attraction. "

* From the Japan Car of the Year website

Car of the Year Japan HP: <http://www.jcoty.org/result/kcar/> _____

The CVT-S greatly contributes to the "easy-to-control, highly stable driving performance" part.

I am dedicating.
