Received a letter of appreciation from the Minister of Economy, Trade and Industry did

New coronavirus infection that JATCO is working on Support for (COVID-19) was highly evaluated

Kajiyama as a company that urgently responded to necessary supplies when the new coronavirus infectious disease spread

A letter of appreciation was presented by the Minister of Economy, Trade and Industry (December 21st). This is a medical substance

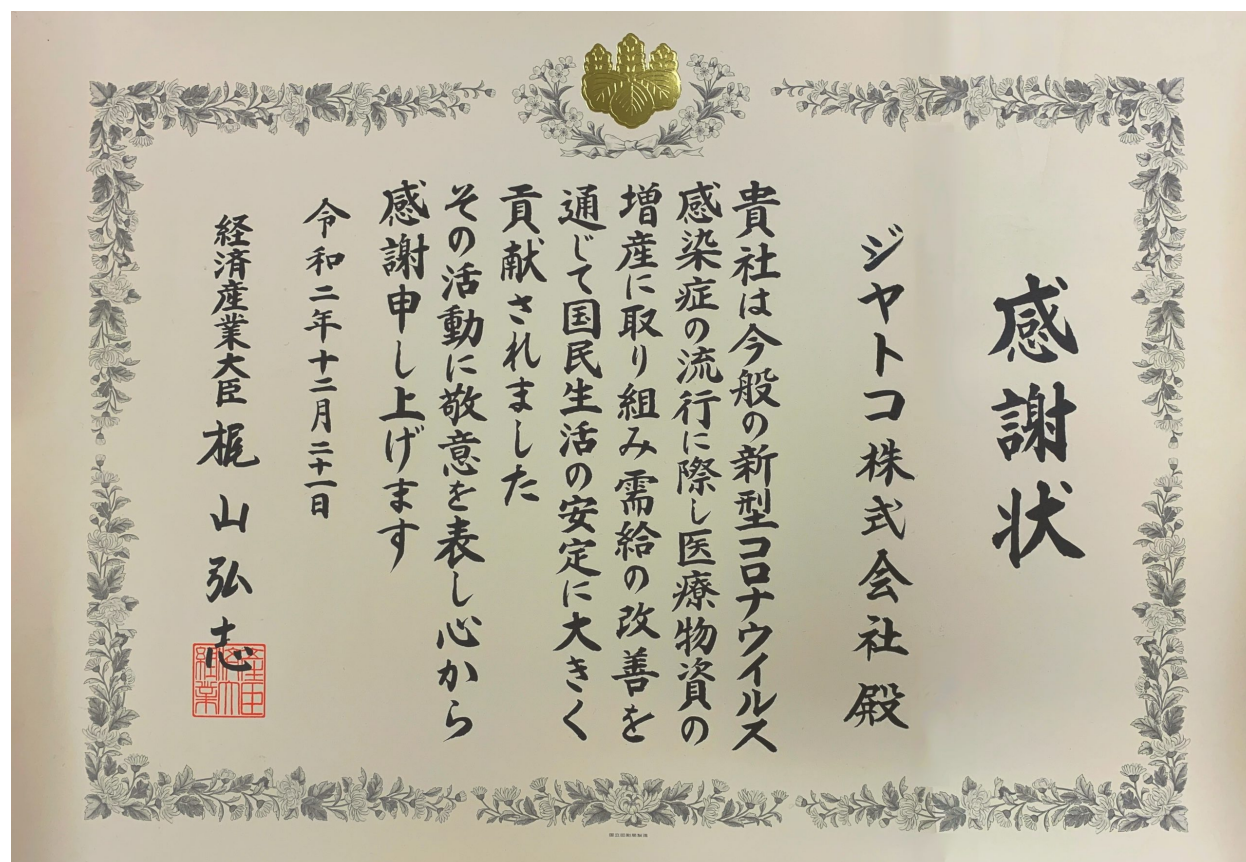

299 companies that made an urgent increase in production and greatly contributed to the stability of people's lives by improving demand

It was given to businesses and organizations, and JATCO is a medical face shield for medical use.

It was highly evaluated that the gown was produced and provided to the Fuji Medical Association.

Congratulations to everyone who worked hard to make face shields and gowns.

Su!
