Everyone is lively! Training for young employees

1-night, 2-day training for first- and second-year employees!

The JATCO Group, where many new employees join the company every year, also puts a lot of effort into training young employees. is inserted. In this issue, super fresh employees who have been with the company for 1st and 2nd years Adhere to the training you participated in on the day. Young employees actively trying to communicate happily I interviewed everyone. *You can also watch the interview video at the end.

Group photo

communication hiking

At the end of Golden Week in early May, at the Momozawa Outdoor Activity Center in Nagaizumi, Shizuoka Prefecture Fresh members gathered. New employees are in the workplace where second-year employees belong. In order to obtain information, I will go around the hiking course while asking questions along the way. In the blue sky, the scenery of the hiking course was great and the conversation was lively!

Interview ②

Hard final mission time attack

On the morning of the second day, the final mission was imposed.

Mission: Time attack from training venue to JATCO Fuji 1 District GTC (Global Training Center)

● Rules:

A time attack in which 4 teams compete. The team that returns to the GTC faster wins.

Paid 310 yen. Take a one hour lunch break.

*Four routes are presented. In order to avoid route duplication, teams whose routes have been considered

Select the desired route from the system.

Time attack return home route map

The interview team got ahead of the GTC at the goal venue and waited for the interview. most walking area

The team took a long route and walked over 30,000 steps, less than 20km, showing signs of fatigue.

On the other hand, "The unity of the team members has deepened.

rice field. I want to make use of this feeling of never giving up in my work."

It seems that it has become a lot of training.

Thank you for your hard work~ ♪
